The Amendment (Paper No. 9) filed by applicant on 5/28/2002 has been received by the Office. It is noted that in response to one rejection over the art, applicant has stated that the art of Kudanov et al, i.e., INSPEC Abstract, does not disclose one of the feature recited in the present claim.

Since the applicant has never disclosed/filed a complete reference of Kudanov et al except the English abstract of the reference, and applicant has based his arguments on the entire/whole description of the mentioned reference; therefore, applicant should provide a complete copy in English language of the mentioned reference because the reference is not available to the Office at this time. Applicant is given ONE MONTH to file such a reference. The application will be reexamined after ONE MONTH from the date of this Office action if applicant fails to provide a copy in English language of the mentioned reference.
